

1595

Sir Walter Raleigh led an expedition up the Orinoco River. Facing his way in open wherry boats through the labyrinth of the delta, he reached the frontiers of the mystical kingdom and collected sufficient proofs so he thought to justify a second attempt after years and period of incarceration in the Tower he was permitted

a 2nd voyage to the Indies. Spanish were
prevalent. He lost his son in the
skirmish at Wellbourn
when he returned to England,
King James I sent him to
the scaffold.

1595-1650
